How To Use This Booklet

This book presents basic information about a wide range of benefit options available to you as an employee of the City of Atlanta. It provides a summary of key plan provisions so you can make an informed decision. More information about the plans can be found on the benefits website, **benefits.atlantaga.gov**.

As you read this benefits booklet and explore the website, you will find guidelines designed to help you analyze your benefits. If you cannot find the answers in these resources, call your carrier and request additional information.

You should try to attend an Open Enrollment meeting (see the schedule posted in your facility and on the website, benefits.atlantaga.gov). Even if you already have coverage, you may desire a better understanding of that coverage. This booklet helps you compare the plan options. It also explains how to adjust your coverage to reflect major life changes such as a new baby, marriage, divorce, leaving the City, retirement, and/or the death of a loved one.

However, keep in mind that each section of this booklet should be considered separately, as there is no automatic connection between the sections. Your health and dental insurance providers may be different and most likely will be. Also, your life insurance carrier will differ from both your health and dental insurance carriers.

Getting the Most From Your Benefits

This year, the City is again offering two High-Deductible Medical Plan options, as well as one Health Maintenance Organization (HMO) and one Point of Service (POS). Because of constant changes and the rising cost of health care, employees need more information regarding health and life insurance benefits in order to deal with the variety of choices you are asked to make. This booklet provides the information necessary to answer your benefits questions by offering a clear picture of all benefits provided by the City of Atlanta for you—the employee. Once you understand your coverage, you will gain the confidence to take control of your benefits.

Pre-Tax Benefits/Payroll Deductions

City of Atlanta employee health/dental benefits are offered on a pre-tax basis through payroll deductions (after-tax basis for Domestic Partners). In some instances, the City will pay a portion of your benefits. Each pay period, the remaining portion will be taken out of your paycheck. This amount will be based upon the carrier and level of coverage you select. For life insurance, deductions are taken from your paycheck once a month.

Health Terms

Various health care terms and options are defined and explained throughout this guide, such as “deductibles,” “coinsurance,” “reasonable and customary,” and more. You will find other definitions on the City’s enrollment website, benefits.atlantaga.gov.

Select Carefully

Please review your booklet thoroughly and read the directions for enrolling in your benefits before making your final selection. Remember, only you are capable of making the decision that best suits your needs.

For details about your benefits, go to benefits.atlantaga.gov.

Eligibility

Benefits Eligibility

Elected officials, appointed officials, full-time, and part-time permanent employees and their dependents are eligible to enroll in the City of Atlanta's health and dental plans. Dependents must meet certain eligibility criteria to be considered. The following is a list of eligible dependents:

- A spouse (a husband or wife who is joined in marriage to an employee by a ceremony recognized by the laws of the State of Georgia)
- A domestic partner (registered with the City of Atlanta)
- A legally adopted child under age 26 or a child for whom you have guardianship (permanent or deemed permanent for insurance purposes)
- A stepchild under age 26 permanently residing with the employee and supported by the employee
- A child under age 26 receiving court-ordered support
- A child 26 years or older who is incapable of self-support due to mental or physical disability; and who has a permanent disability

Please remember to submit supporting documentation when you add dependents. If the Employee Benefits office does not receive your documentation, your dependents will not be added.

Statement of Understanding

I understand that, after my initial 90-day eligibility period following the date of employment, I may change my elections (plans and coverage) only during an Open Enrollment period or within 31 days following a change in family circumstance such as:

- Change in marital status
- Change in the number of dependents following birth, adoption, placement for adoption, or death of a dependent
- Change in employment status for me, my spouse, or dependent
- Work schedule change resulting in an increase or reduction in hours of employment for me, my spouse, or dependent (e.g., part-time to full-time)
- Loss of or enrollment in other coverage;
- Change in unmarried dependent status that causes the dependent to become covered or lose coverage
- Change in residence or worksite for me, my spouse, or dependent.

I also understand that the type of change requested must be consistent with the change of family status.

Dependent Eligibility Documentation Requirements

Dependents	Documentation Required
For Spouse	Copy of marriage certificate. If previously married, death certificate or divorce decree.
For Removal of Spouse/Child	None at Open Enrollment. Court decree within 31 days of decree during the contract year.
For Natural Child(ren)	Child's birth certificate (showing the parent-child relationship to employee/retiree and/or spouse).
For Adopted Child(ren)	Placement papers signed by the courts.
For Disabled Child (26 years and older)	Physician verification of permanent disability.
Foreign Adoptions	Adoption papers signed by the courts; visa showing date of entry to USA.
For Stepchild(ren)	Child's birth certificate (showing parent-child relationship with employee/retiree's spouse); copy of marriage certificate.
For Court-Ordered Support	State affidavit; copy of signed court order requiring employee/retiree to provide support for health coverage.
For Guardianship	Court ordered guardianship deemed permanent for insurance purposes.

For Termination of Domestic Partner	None at Open Enrollment; City of Atlanta Notice of Termination within 31 days of termination during the contract year.

Social Security number and date of birth must be provided for all dependents. Failure to submit the dependent's Social Security number will result in termination/denial of coverage (exceptions: newborns age six months or less).

Documentation also applies to life insurance coverage.

No documentation is required at Open Enrollment to delete a dependent.

All documentation should contain the employee's name and Social Security number.

Changes In Coverage

Change in Family Status

You may change your health and/or dental insurance coverage during the Open Enrollment period. You can also change your coverage during the year but only if the application to change coverage is submitted within 31 days of your family status change because of:

- marriage;
- divorce*;
- birth, legal adoption, placement for adoption, or custody change of an eligible child;
- death of a spouse or eligible child, or a dependent's leaving the household as a result of a custody agreement; or
- changes in the spouse's employment that affects his/her eligibility for benefits under another employer's group benefits plan.

**Anyone removed from the policy is entitled to COBRA (see benefits.atlantaga.gov for more information).*

Coverage will be effective the date of the change in family status. An adjustment of the premium for the level of coverage change will be deducted from your paycheck. Ask your departmental payroll clerk for a Health Insurance Change Application. Both you and your spouse (if applicable) must sign the form. Return the form to your departmental payroll clerk.

Option Changes

Option changes are permitted only during the Open Enrollment period. Changes made during the Open Enrollment period become effective on September 1, 2015.

If you move out of the service area covered by the HMO in which you are enrolled, you must request a change to another plan within 31 days of your move or at the next Open Enrollment.

If a plan listed in this brochure ceases operation, during the plan year, employees will have a choice to move to another plan.

If You Are on Workers' Compensation or an Authorized Leave of Absence

If you are on Workers' Compensation or an Authorized Leave of Absence without pay due to military, maternity, sick, family, or study leave, you must pay—in advance—your share of coverage premiums directly to the DHR - Employee Benefits.

If you are on an Authorized Leave of Absence without pay for any reason other than a military, maternity, sick, family, or study leave, you may continue your City of Atlanta group insurance by paying—in advance—the total premium (your share and the City's share) directly to the DHR - Employee Benefits.

If you do not pay the premium on time, your coverage will end.

Termination of Coverage

If your coverage ends for you and your dependents due to termination of employment with the City of Atlanta or change to part-time no benefits status, you can choose to continue coverage for yourself and/or dependents at 102% of the total cost under The City of Atlanta Plan (COBRA) or you may convert to an individual policy.

The HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA), better known as the KASSEBAUM-KENNEDY LEGISLATION states:

If you terminate your employment, cease to be an eligible dependent, or your COBRA eligibility terminates, A CERTIFICATE OF GROUP HEALTH PLAN COVERAGE WILL BE MAILED by your Insurance Carrier to the last address on their file.

Facts About Your Insurance

No Insurance

If you do not want health and/or dental insurance during September 1, 2015 to August 31, 2016, you must select NO COVERAGE using Self-Service.

Coverage for Mental or Physically Disabled Dependent

To provide coverage for a dependent who is incapable of self-support because of a mental or physical incapacity, an employee must provide a completed Physician Verification of permanent disability. This form is available in the DHR - Employee Benefits.

Change of Address

You must submit a change of address to your payroll clerk or to the Department of Human Resources to correct the City of Atlanta records. Or log onto Employee Self-Service to update your address.

Payroll Deductions

As an employee, your share of health/dental insurance will be deducted from your paycheck every payday. However, in the case of late Open Enrollments, payroll deductions may be delayed. If this occurs, back premiums and/or refunds (if applicable) will be included in your paycheck as soon as possible.

ID Cards

After your Open Enrollment Application is processed and an eligibility file is sent to each insurance carrier, your ID card and member booklet will be mailed to your home address by the selected insurance company. The ID card should be placed in your wallet for easy access at all times. Be sure to read the member booklet carefully, and keep it in a safe place for easy reference. The member booklet will provide detailed information about how to use your insurance benefits. You will not receive a new ID card unless you make a change in your coverage. Reimbursable claims should be filed only with your insurance carrier, not the City of Atlanta.

NOTE: All members will receive separate cards for dental and vision coverage. If you need medical care prior to receiving your new ID card, use a physician and/or hospital on your new carrier list of providers.

PLEASE RETAIN A COPY OF YOUR EMPLOYEE SELF-SERVICE CONFIRMATION STATEMENT AND DOCUMENTATION THAT YOU HAVE SUBMITTED FOR YOUR RECORDS. ALWAYS PRINT YOUR NAME AND SOCIAL SECURITY NUMBER ON ALL DOCUMENTATION. MAKE A COPY AND ATTACH IT TO THE ENROLLMENT FORM.

Wellness At Work

The Department of Human Resources (DHR) manages a comprehensive health and wellness program for the City's active and retired employees and their families. For more information about the activities listed below, contact the Employee Benefits office at 404-330-6036.

You should also log on to your healthcare provider's website and complete a Health Risk Assessment form. The assessment will assist you in determining which activity will suit your health care needs.

- Kaiser Permanente Members: www.kp.org
- Blue Cross Blue Shield Members: www.bcbsga.com

Employee Fitness Center

Free, state-of-the-art fitness centers are located at various City facilities. These facilities have modern cardio-vascular and weight equipment machines and aerobic equipment. Some of the facilities also have locker rooms and showers available.

Mobile Nurse Program

The Mobile Nurse Program is a city-wide health promotion campaign for employees. DHR encourages all employees to take an active role in their health care decision process and improve the quality of life for both themselves and their families. The primary initiative of this program is to focus on heightening health awareness, enhancing preventive health strategies for all employees, and decreasing absenteeism from work. This program provides onsite services to City of Atlanta field facilities by conducting preventive medical screenings and counseling, along with providing health education material that will assist with the management of costly chronic diseases like diabetes, hypertension, and COPD. Specific services provided are as follows:

- Presentation about the Benefits of Active Health Care
- Health and Wellness Surveys
- Blood Pressure Screenings
- Diabetes Screenings
- Cholesterol Screenings
- Medical Consultations

Lunch and Learn Series

DHR, in partnership with contracted health insurance vendors and community providers, sponsors a monthly lunch and learn series for employees. Monthly topics focus primarily on key health issues identified by the American Medical Association and the National Institutes of Health. Health insurance vendors provide nutritious lunches while employees discuss various medical concerns with leading medical professionals. Topics include breast cancer, cardiovascular health, HIV/AIDS awareness, blindness prevention, autism, hypertension, diabetes prevention and management, nutritious foods and healthy cooking, fitness training, and dental care.

Disease Management

Contracted insurance vendors manage chronic diseases such as diabetes, heart disease, coronary artery disease (including circulatory restrictions and strokes), musculoskeletal disorders (including lower back pain), and digestive disorders (the top five chronic diseases prevalent in our population). The department is working to reach not only active employees but also partnering with other agencies to reach out to retired employees. At the same time, DHR is educating employees to help them be more aware of these illnesses and the health disparities leading to earlier and more frequent prevalence of these diseases.

Health and Wellness Programs

The City will offer these programs during the 2015 – 2016 benefit plan year.

- Weight Management Program
- Line Dancing Classes
- City-wide Stress Reduction Program
- Employee Daily Step Challenge Program
- Personal Fitness Trainers and Corporate Challenge Fitness Program
- Tai Chi and Zumba
- BCBS POS and Kaiser Permanente HMO members can earn premium rebates at the end of the plan year (August 2016) for completing an online Health Risk Assessment (\$50), obtaining an onsite biometric screening (\$50), and for completing an annual physical examination with your PCP.

High-Deductible Medical Plan Options

Alongside the traditional Medical Plan options, the City of Atlanta is pleased to again offer two high-deductible Medical Plan options. These plan options are called “high-deductible” plans, because their initial deductibles are higher than under the traditional plans. In return, however, you pay a lower premium. They also have some special features not found in traditional plans.

This type of healthcare plan, also known as a “consumer-directed” type of health plan, has shown encouraging results in controlling costs for both participants and employers. More importantly, high-deductible plans achieve this goal by focusing on the individual’s health, involving you more directly in the way you consume health care and helping you make more informed healthcare decisions.

There are two high-deductible plan options to choose from:

- **Lumenos with Health Savings Account**, offered by Anthem Blue Cross Blue Shield
- **Kaiser HMO High-Deductible Health Plan**

Using Your Health Savings Account

An HSA provides you with the opportunity to save money on a pre-tax basis to pay for medical expenses now or in the future. Unused HSA funds roll over from year to year, and can even be saved for use during your retirement years. Your HSA belongs to you—you can even take the account with you if you leave employment.

You will receive a debit card to pay for qualified medical expenses using your HSA. And, if you have money in your HSA, the plan will automatically draw from your HSA funds to pay for deductible-related expenses before billing you for health care services and supplies.

The HSA cannot be used in coordination with another major medical plan. It can only be used with one plan at a time. This plan is not offered under COBRA. If you have questions about your HSA, call Customer Service at 1-877-713-7712.

Important Features

- Both high-deductible plans include **Health Savings Accounts (HSAs)**. You can contribute pre-tax dollars to your HSA and use them to help meet your annual deductible responsibility and other out-of-pocket health costs, and unused HSA dollars can be saved or invested and carried over into future years. In addition, **the City of Atlanta will contribute to your HSA each year** — \$500 for individuals, and \$750 for families (employee plus one or more dependents).
- Both plans cover 100% of in-network preventive care, even before you meet the deductible. Preventive care is paid by the plan, not with dollars from your HSA.
- Once you have satisfied the plan’s out-of-pocket maximum, your in-network allowable expenses will be paid at 100% for the remainder of the year.
- Under the Lumenos plan, you may receive care from either in-network or out-of-network providers. To receive the highest level of reimbursement (80%), you should obtain services in-network. You will receive a lower level of reimbursement for out-of-network care (60%) and pay more of the costs.
- Under the Kaiser HMO plan, only in-network care is covered.
- Active employees can earn up to \$250 in premium rebates at the end of the plan year (August 2016) from the City in their HSA: \$150 for an annual physical exam with your primary care physician, \$50 for completion of an online Health Risk Assessment (HRA), and \$50 for obtaining a biometric screening, sponsored by the City of Atlanta.

Here is how the two high-deductible plans work. Covered services under the two plans are generally the same as those under the BlueChoice POS and Kaiser HMO plans.

Feature	Fact		
Health Savings Account First, use your HSA to pay for covered services. You can contribute pre-tax dollars and use them to help meet your annual deductible. <i>Unused HSA funds roll over from year to year.</i>	Contributions to Your HSA For 2015, you can contribute up to the following: <ul style="list-style-type: none"> • \$3,350 for individual coverage • \$6,650 for family coverage Note: These limits apply to all combined contributions from any source, except rollover funds.		
City of Atlanta Contribution The City makes a contribution to help you get started.	Employer Contribution <ul style="list-style-type: none"> • \$500 for individual coverage • \$750 for family coverage

Preventive Care There is no deduction from your HSA or any out-of-pocket costs for you if you receive your preventive care from in-network providers.		
Meet Your Deductible The deductible is the annual amount you pay, either out-of-pocket or using your HSA, before you reach the traditional health coverage portion of the plan.	BCBS Lumenos with HSA		Kaiser HMO HDHP

Traditional Health Coverage After you meet your deductible, the plans work like traditional PPO or HMO plans. You pay coinsurance (a percentage of charges), and the plan pays the rest. Out-of-Pocket Maximum For your protection, the total amount you spend out-of-pocket is limited. Once you spend that amount, the plan pays 100% of the cost for covered services for the remainder of the year. Traditional Medical Plan Options

In addition to the high-deductible Medical Plan options, City of Atlanta also continues to offer two traditional options, the BlueChoice POS and the Kaiser Permanente HMO. These options have higher premiums than the high-deductible plans. Although the deductibles are lower, your out-of-pocket costs may be higher due to the higher premiums.

Terms You Should Know

Coinsurance: The fixed percentage of covered charges you must pay after any deductible has been subtracted. For example, if a plan pays 80 percent of covered charges (after applying any deductible), you would be responsible for the deductible and the 20 percent balance.

Copayment: A fixed dollar amount you must pay for a service or benefit provided by a plan.

Deductible: The amount of covered charges you must pay before the plan pays benefits, for example, calendar-year deductible and inpatient hospital deductible. Generally, no more than two or three family members must meet the calendar-year deductible. However, some plans have a family calendar-year deductible, which can be met by any or all of those covered.

Exclusions: Charges, services, or supplies that are not covered. A plan does not provide or pay for excluded items, nor do charges for them apply toward deductibles and catastrophic limits.

Reasonable and Customary: A maximum payment allowed for a given medical service based on a statistical formula calculated by an insurance company to determine the amount it will pay on a given medical service.

The chart below highlights key features and benefits under the traditional health plan options: BlueChoice POS and Kaiser Permanente HMO. See the plan summaries on the enrollment website, atlantaga.gov, and the Summary Plan Descriptions for more details.

All elected officials, appointed officials, as well as all full-time and part-time permanent employees are eligible to participate in the program from date of hire. The choices you make are for the full plan year.

The administrator for the flexible spending accounts is ADP. Contact ADP at 800-228-5762.

All claims must be filed within 90 days of the end of the plan year.

PLEASE NOTE: FLEX SPENDING ACCOUNT/DEPENDENT CARE ACCOUNT PARTICIPATION

There is no automatic enrollment through Oracle Self-Service and participants currently enrolled in an FSA/DCR plan will not automatically be re-enrolled for the next benefit plan year. Changes to your FSA/DCR contributions can only be made during the Open Enrollment period.

Supplemental Insurance Plans

Our supplemental insurance plans are offered by Aflac and Colonial Life. You can chose the insurer you prefer. If you're sick or hurt, Aflac or Colonial Life Insurance pays benefits directly to you—not the hospital or doctor—to help with your expenses.

While you focus on recovery, the plan focuses on paying you quickly. Most claims are processed in about four business days.

Use benefits however you want. It's your decision how to use the cash—use it to help pay for rent, child care, or groceries.

Coverages are available for you and your family (for most products). You will pay for premiums through payroll deduction and you will have the ability to take most coverages with you if you change jobs or retire.

- **Lump Sum Critical Illness Insurance—** (Guaranteed issue) Provides a single cash benefit to you if you are diagnosed or treated for critical illness events. The benefit is triggered by a covered serious health condition such as heart attack, stroke, end-stage renal failure, major organ transplant, paralysis, coma, and more.
- **Cancer Care Insurance—** (Guaranteed issue) Pays benefits to help with the cost of cancer screening and cancer treatment including radiation, chemotherapy, surgery, and more.
- **Accident Indemnity Insurance—** (Guaranteed issue) Pays cash benefits to help with expenses in the event of a covered accidental injury, dismemberment, or death. Benefits help cover the costs that go beyond standard major medical coverage.
- **Hospital Indemnity Insurance—** (Guaranteed issue) Pays for out-of-pocket hospital expenses that may not be fully covered by major medical insurance, including hospitalization for injury or sickness, emergency room benefit, and more.
- **Critical Care and Recovery Insurance—** (Guaranteed issue) Pays cash benefits for a covered primary specified health event. The benefits can be used to help pay for medical treatment, living expenses, or other out-of-pocket expenses. Covered events include coma, heart attack, stroke, coronary bypass surgery, major organ transplant, third-degree burns, paralysis, end-stage renal failure, cardiac arrest, and more.
