

Kirkwood Wine Stroll 2016

September 23, 2016

Street Closure Plan

Newmap

Updated June 23, 2016

Updated June 23, 2016 to include blocking only the parking lane with Bike barricades with a hard close along Hosea L. Williams Dr. and a soft close at Doyle St. to allow residents on Doyle St. to pass.

This allows the festival area to be in the parking lane and side walk along Hosea L Williams without disrupting traffic flow.

- Temporary barricade
- Festival area
- Parking lane bike barricade (hard close on parking lane only)
- Temporary barricade (soft close for traffic to pass)
