

Capital Projects Status Update: Danforth Road Sidewalks

City of Atlanta
Department of Public Works

Richard Mendoza, Commissioner

August 2014

Project: Danforth Road Streetscape Improvement Project
Project ID#: 762527 CD: 11 NPU: Q Contractor: S D & C Incorporated

Description: The project scope includes the installation of five foot concrete ADA (Americans with Disabilities Act) compliant sidewalks on both sides of Danforth Road from New Hope Road to Regency Center Drive, and on the south side of Danforth Road from Regency Center Drive to Reunion Place. Additional elements include maintaining the 4-way stop at the corner of Danforth Road and New Hope Road, ADA compliant wheelchair ramps, concrete curb and gutter, a 2-foot grass strip, street trees, drainage and piping structures as needed, and the installation of decorative pedestrian lighting.

Phase: Construction

Construction Start Date: December 2012

Schedule Status: Met construction substantial completion date for December 2013. This project was completed in June 2014.

Funding Sources: Local Transportation Impact Fee (TIF) and Federal Congestion, Mitigation and Air Quality (CMAQ)

Project Phase	Project Cost	City of Atlanta Budget	Federal (CMAQ) Budget
Final Design & Right-of-way Services	\$320,000.00	\$320,000.00	\$0.00
Right-of-way Acquisitions (39 Parcels)	\$250,000.00	\$250,000.00	\$0.00
Utility Relocation	\$114,502.00	\$114,502.00	\$0.00
Construction	\$1,174,221.30	\$521,421.30	\$652,800.00
Pedestrian Lighting	\$553,641.00	\$553,641.00	\$0.00
Total	\$2,412,364.30	\$1,759,564.30	\$652,800.00

Remaining items to be completed include:

- This project is completed and has been accepted by the Georgia Department of Transportation (GDOT)

Note: The Department of Public Works has been in communication with Fulton County to ensure that their sidewalk construction project ties into the newly completed City of Atlanta sidewalk project, so that there are continuous sidewalks along both sides of Danforth Road from New Hope Road to Cascade Road.
