As you enter the room, please feel free to visit the information boards and talk with City of Atlanta representatives. In addition, the attached comment card is an excellent way to have your comments recorded and considered.

The informational boards and comment card will be available following this meeting on the Renew Atlanta website: www.RenewAtlantaBond.com.

PROJECT DESCRIPTION

The Monroe Drive/Boulevard Complete Streets project runs from Piedmont Circle on the north to Woodward Avenue on the south. Complete Streets are streets for everyone. They are designed and operated to enable safe access for all users, including pedestrians, bicyclists, motorists and transit riders of all ages and abilities. Complete Streets make it easy to cross the street, walk to shops, and bicycle to work. The Monroe Drive/Boulevard corridor has experienced high traffic volumes and safety issues associated with redevelopment and investment in the surrounding communities. This Complete Streets project will identify existing safety and mobility issues and develop corridor improvements to improve the safety and quality of life for all users.
