Seaboard Avenue Resurfacing and Restriping Coming Soon

In 2020, Atlanta City Council adopted the city's first roadway safety program, Vision Zero Atlanta, which aims to eliminate serious injuries and fatalities caused by traffic crashes in the city.

The City of Atlanta identifies every opportunity to make improvements to city streets. As a part of its annual resurfacing program, the City of Atlanta Department of Transportation (ATLDOT) will be resurfacing Seaboard Avenue, between Moreland Avenue and Walthal Street NE in 2021 and has identified this location as an opportunity for quick implementation of bike facilities through a Georgia Department of Transportation Local Infrastructure Maintenance Grant (LMIG).

This project is a part of a group of streets being resurfaced between August and December 2021, weather permitting. The Seaboard Avenue project has been developed and designed by city staff. This project provides a tremendous opportunity to improve neighborhood safety.

ATLDOT will be offering an opportunity for the community to provide comments on this project, however, it should be considered that this project will advance rapidly. Please visit the city's website [ATLDOT.AtlantaGa.Gov](https://atl.dot.ga.gov) for further project details. Comments may be submitted to ATLDOT@AtlantaGa.gov. Additionally, ATLDOT will be providing office hours for anyone who would like to discuss the project with city staff on Friday, July 23, 2021 at 1 p.m. For more details on this project, please see the additional Project Fact Sheet available on the website.

Zoom Details:

ATLDOT is inviting you to a scheduled Zoom meeting.

Topic: Seaboard Avenue Resurfacing Project - Office Hour Session
Time: Jul 16, 2021 01:00 PM Eastern Time (US and Canada)
