## School Drive Resurfacing and Restriping

July 2022

### Project Description

The City of Atlanta Department of Transportation (ATLDOT) is designing safety improvements on School Drive, between Humphries Drive and SR 54/Jonesboro Road. Projected to begin in Summer/Fall 2022, planned improvements include resurfacing and restriping to accommodate an on-street, dedicated parking / loading lane. This project will improve the road surface condition, formalize school pickup/dropoff operations, and calm traffic near Humphries Elementary School.

### Location

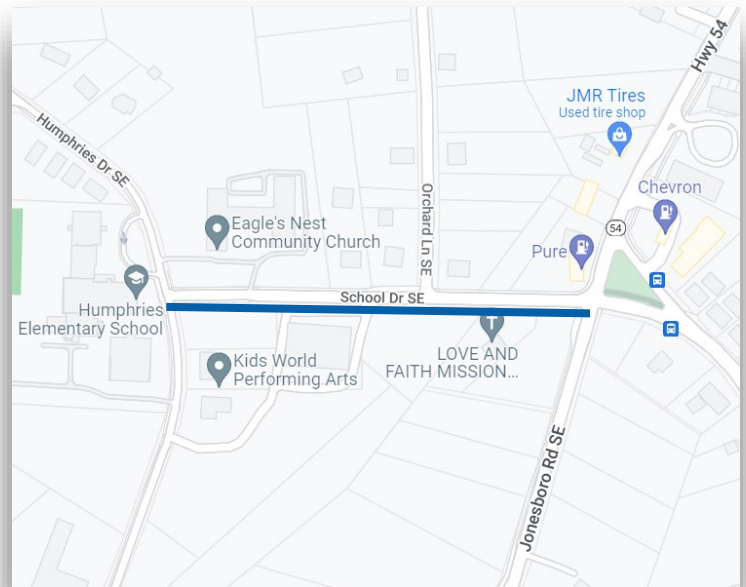

School Drive, between Humphries Drive and SR 54/Jonesboro Road

### Schedule

Project construction is anticipated to begin between August and September 2022, weather permitting.

### Next Steps

- ⇒ A previous 30-day public comment period closed on June 27, 2022.
- ⇒ Based upon feedback from the community, ATLDOT made revisions to the design to focus on school operations. The design is in internal review and approvals.
- ⇒ Details about this project are available on the ATLDOT website at: <https://atldot.atlantaga.gov/projects/2020-lmig-resurfacing>.
- ⇒ Impacted property owners within the project limits will be notified prior to start of resurfacing and lane restriping.
