

PROJECT FACT SHEET

Downtown City Hall Vicinity Street Resurfacing

November 2022

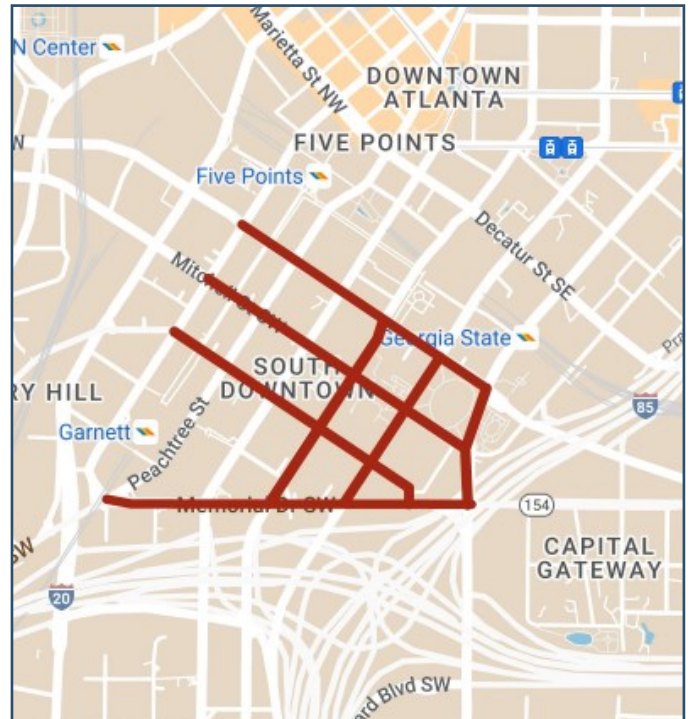

Project Description

The City of Atlanta's Department of Transportation (ATL DOT) will be resurfacing several streets within the vicinity of City Hall in Downtown Atlanta. This project will incorporate design changes on the resurfaced streets in an effort to improve safety, particularly for vulnerable users such as pedestrians and bicyclists. The design supports the One Atlanta Strategic Transportation Plan for safer streets.

Locations

- ⇒ Martin Luther King Jr. Drive SW from Forsyth Street SW to Capitol Avenue SW
- ⇒ Mitchell Street SW from Forsyth Street SW to Washington Street SW
- ⇒ Trinity Avenue SW (SR 154) from Forsyth Street SW to Memorial Drive SW
- ⇒ Memorial Drive SW (SR 154) from Forsyth Street SW to Capitol Avenue SW
- ⇒ Central Avenue SW from Martin Luther King Jr. Drive SW to Memorial Drive SW
- ⇒ Washington Street SW from Martin Luther King Jr. Drive SW to Memorial Drive SW
- ⇒ Capitol Avenue SW from Martin Luther King Jr. Drive SW to Memorial Drive SW
- ⇒ Capitol Square from Washington Street SW to Capitol Avenue SW

Schedule

Project installation is anticipated to begin in Fall 2022 and end Spring 2023, weather permitting. Temporary Striping will be installed initially until the Spring.

Next Steps

- ⇒ The attached fact sheets provide more information about the planned projects.
- ⇒ Signage notifying the public of parking restrictions and impending work will be installed prior to construction.
- ⇒ ATL DOT will engage with stakeholders through a virtual public meeting on Tuesday, November 15, 2022, from 4:30-5:30 p.m.
- ⇒ Email comments or questions about the upcoming resurfacing projects to ATL DOT@AtlantaGa.gov. In the subject line of the email, please reference the "Downtown Resurfacing" project.
