

PROJECT FACT SHEET

Oglethorpe Avenue Resurfacing

February 2023

Project Description

The City of Atlanta Department of Transportation (ATL DOT) is designing safety improvements for Oglethorpe Avenue SW, between Holderness Street SW and Lee Street SW. Projected to begin in Summer 2023, planned improvements include resurfacing and shared lane markings to create a neighborhood greenway. This project will upgrade road surface condition, safety, and multimodal connectivity.

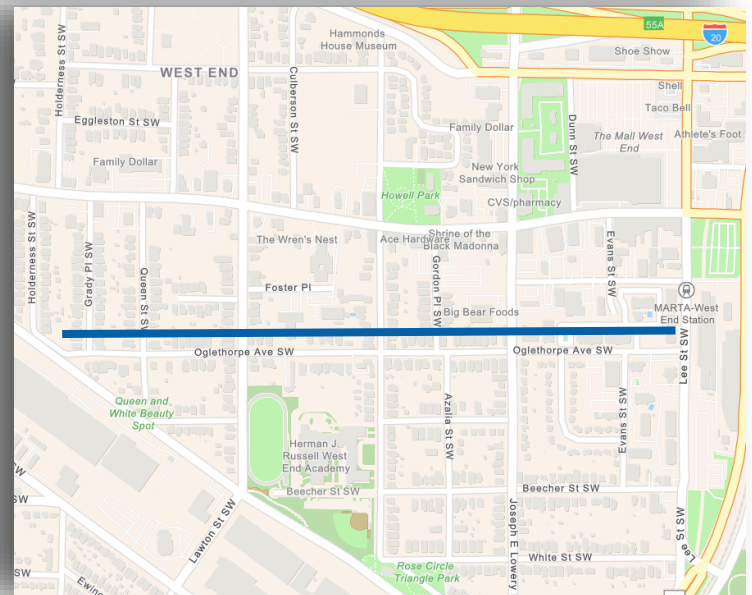

Location

Oglethorpe Ave SW, between Holderness Street SW and Lee Street SW.

Schedule

Project construction is anticipated to begin between June and December of 2023, weather permitting.

Next Steps

- ⇒ Impacted property owners within the project limits will be notified prior to start of resurfacing.
- ⇒ ATL DOT hosted two public meetings, one on November 16, 2022 and another on February 23, 2023. Meeting materials can be found on the project website at the link below.
- ⇒ Details about this project are available on the ATL DOT website at: <https://atldot.atlantaga.gov/projects/2021-lmig-resurfacing>.
