

# PROJECT FACT SHEET

## Woodward Avenue Resurfacing and Restriping

February 2023

### Project Description

The City of Atlanta's Department of Transportation (ATL DOT) is designing safety improvements for Woodward Avenue SE, between Kelly Street SE and Boulevard SE. Projected to begin in Summer 2023, planned improvements include resurfacing and restriping to create a bicycle boulevard. This project will implement portions of the Cycle Atlanta 1.0 plan, upgrading road surface condition, safety, and multimodal connectivity.

### Location

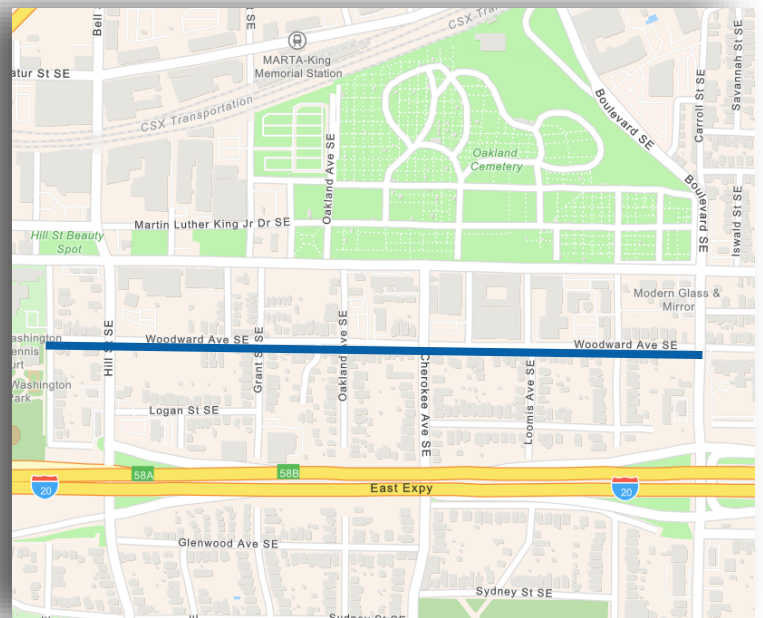

Woodward Avenue SE, between Kelly Street SE and Boulevard SE

### Schedule

Project construction is anticipated to begin between June and December of 2023, weather permitting.

### Next Steps

- ⇒ Impacted property owners within the project limits will be notified prior to start of resurfacing and lane restriping.
- ⇒ ATL DOT hosted two public meetings, one on November 15, 2022 and another on February 21, 2023. Meeting materials can be found at the link below.
- ⇒ Details about this project are available on the ATL DOT website at: <https://atldot.atlantaga.gov/projects/2021-lmig-resurfacing>.

### Project Management Team

#### Planning/Design:

Betty Smoot-Madison, Mobility Director  
bsmoot-madison@atlantaga.gov

#### Construction:

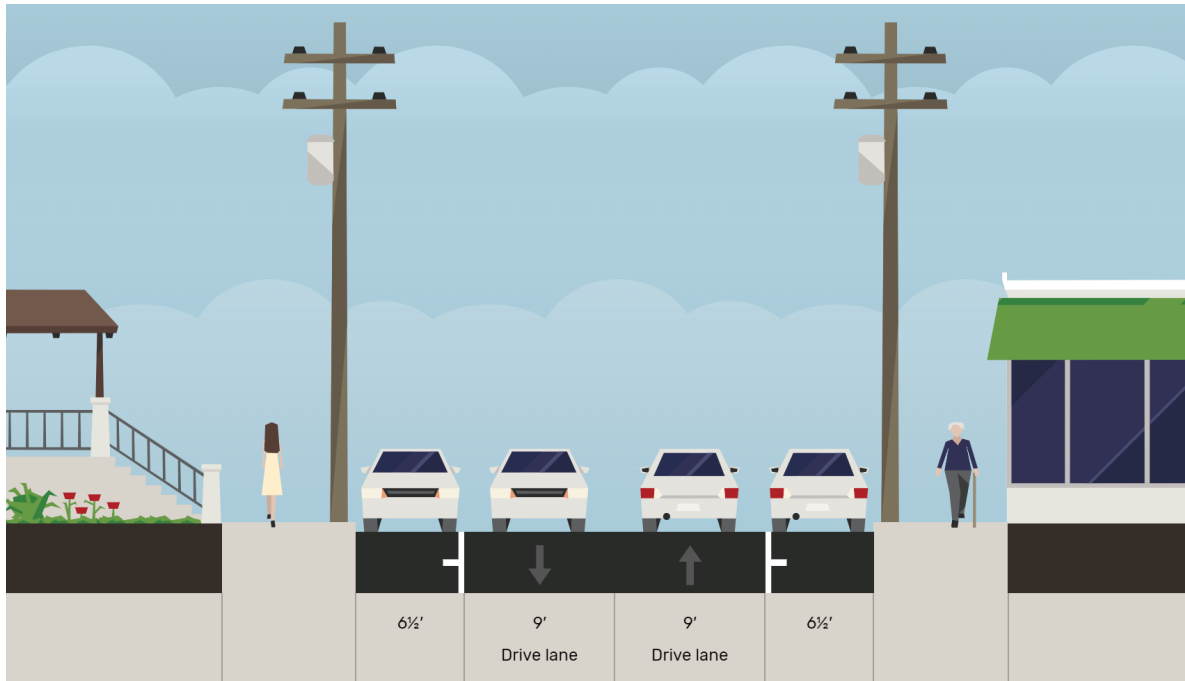

Simeon Robinson, Project Manager
