# **BOLTON ROAD IMPROVEMENTS PRE-CONSTRUCTION**

Community Meeting

# **CITY OF ATLANTA**

## **DEPARTMENT OF TRANSPORTATION**

Mayor Andre Dickens  
ATLDOT Commissioner Solomon Caviness IV

# Moving Atlanta Forward Pillars

- One Safe City
- A City of Opportunity for All
- A City Built for the Future
- Effective and Ethical Government

# Agenda

## 6:00 – 6:05 P.M.

- Welcome and Introductions

## 6:05 – 6:10 P.M.

- Project Team

## 6:20 – 6:35 P.M.

- Project Overview

## 6:35 – 6:45 P.M.

- Keeping You Informed

## 6:45 – 7:30 P.M.

- Questions and Answers

# PROJECT TEAM

# Project Team

## **Greg Moore**

ATLDOT Deputy Commissioner, Capital Delivery

## **Simeon Robinson**

Director of Construction

## **Adisa Aarons**

Project Manager

## **Adrian Carver**

Sr. Communications Manager

The image is a composite of two photographs. The top photograph shows a dense line of green trees with power lines running across the frame. The bottom photograph shows a construction site on a paved road. A red excavator is partially visible on the right, with its arm extended. Three workers wearing high-visibility safety vests are standing near the excavator. Orange traffic cones are placed on the road surface. The background shows a dirt embankment.

# PROJECT OVERVIEW

# Project Map

# Project Scope

- Approximately 1.35 miles of milling and paving from Parrott Avenue NW to Barnett Drive NW
- Pavement markings, signage, and striping
- ADA-compliant ramp upgrades
- Sidewalk repairs/installation and driveway aprons
- Drainage improvements
- Adjusted manholes and water valves

# Construction Schedule

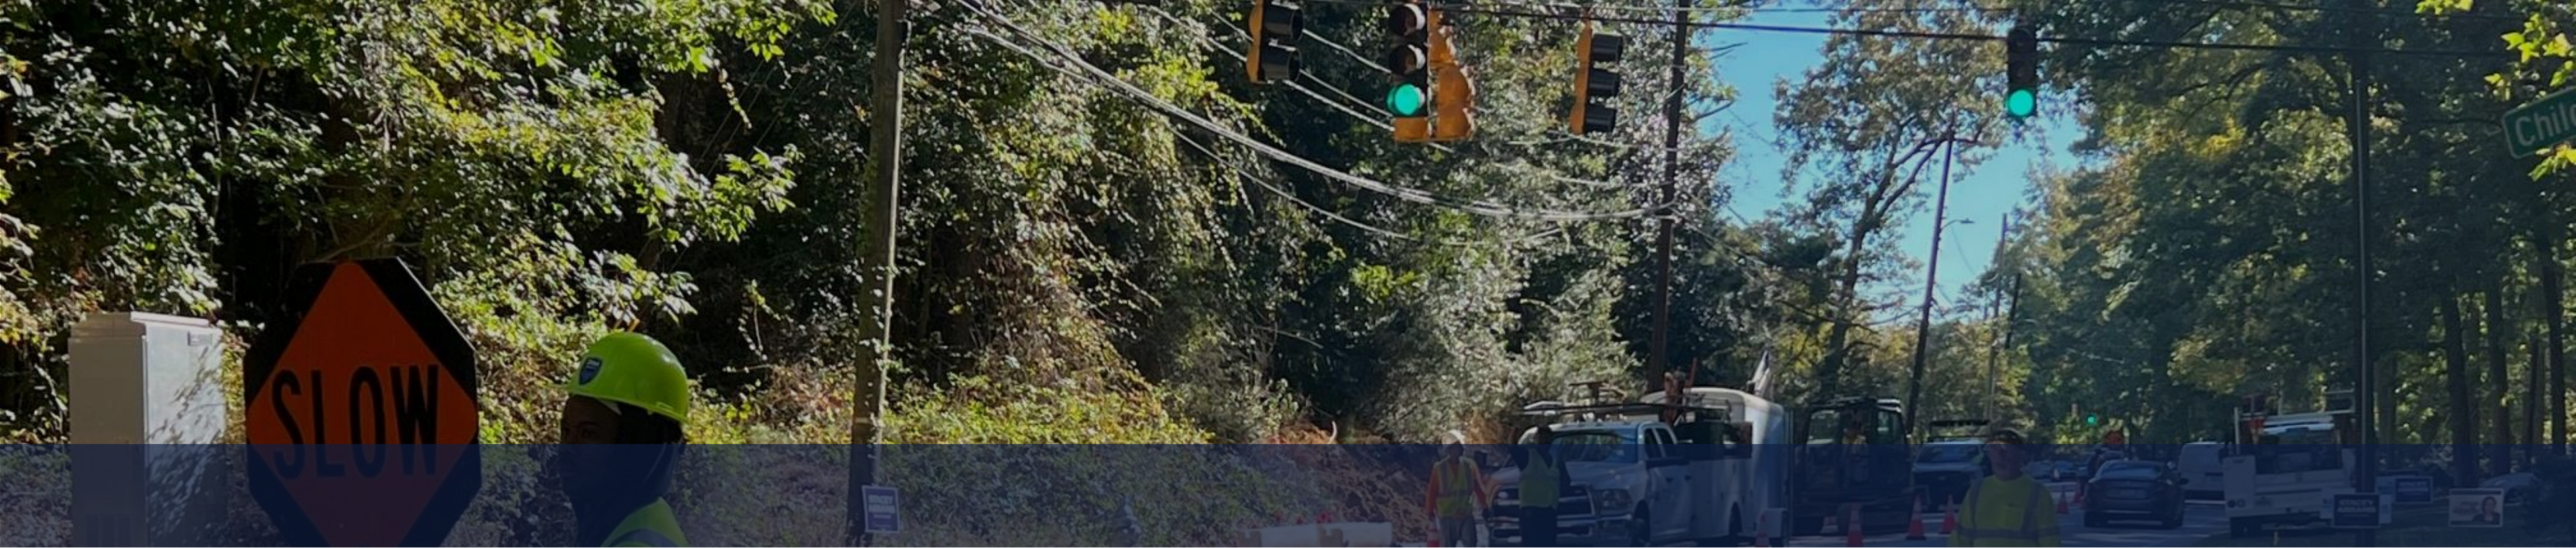

- **Mid-September 2023 to Mid-November 2023**
  - Resurfacing
  - Sidewalk, curbing, ADA-compliant ramp upgrades
  - Signage and striping installation
  - Manhole and water valve adjustments
- **Late September 2023 to End of November**
  - Study/design for drainage and safety improvements at 3 locations– CSX bridge, Marietta Road, and Parrott Avenue
- **December 2023**
  - Target completion for majority of project scope, except for 3 study areas
- **March 2024**
  - Target completion for drainage improvements

# Construction Hours

- **Resurfacing (milling, patching, and paving)**
  - 7:00 p.m. to 6:00 a.m. Sunday evenings through Friday mornings to minimize impact to road users
- **Sidewalk and ADA-compliant ramp upgrades**
  - 9:00 a.m. to 4:00 p.m. Monday through Friday
- **Drainage and utility adjustments**
  - 9:00 a.m. to 4:00 p.m. Monday through Friday

# Construction Impacts

- **Intermittent lane closures** in effect from the start of construction until work concludes.
  - Traffic will be restored to normal operations when work is not in progress.
  - Traffic flow maintained for the duration of construction.
  - Intermittent lane closures may cause traffic delays.
- **Possible noise or light disturbances** associated with the overnight resurfacing work.
- **Restricted access** (24-48 hours) during concrete sidewalk/curb/gutter/driveway apron installation.

**KEEPING YOU INFORMED**

# Project Updates & Advisories

## Construction Progress, Disruptions, Notifications:

- Visit: ATLDOT website ([atl.dot.ga.gov](https://atl.dot.ga.gov)):
  - Road/lane closure advisories – <https://atl.dot.ga.gov/news-events>
  - Project background and updates on [Bolton Road Improvements](#) page
- Sign up for electronic project updates:
  - Send email to: [atl.dot@atl.ga.gov](mailto:atl.dot@atl.ga.gov)
  - Subject heading “Bolton Road Improvements Project Updates”
  - Request to receive updates on project referenced in heading
