# PROJECT UPDATE

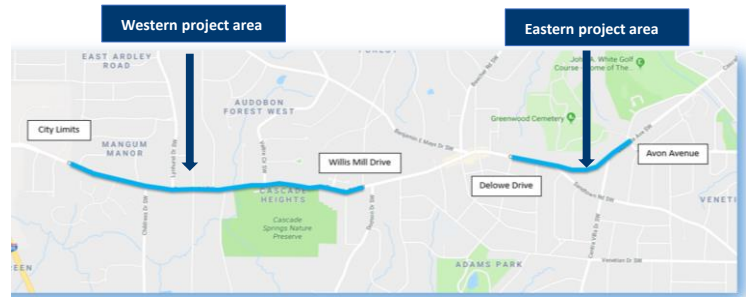

## Cascade Road/Avenue Complete Street Project

### Project Descriptions

The City of Atlanta's Department of Transportation (ATLDOT) is working to deliver corridor improvements along approximately two (2) miles of Cascade Road/Avenue. Planned improvements include milling, resurfacing, restriping, sidewalks, traffic communications corridor signal upgrades, bus stop enhancements, streetscapes, extended bike lanes, pedestrian safety improvements, and relocation of hydrants, water main lines, sidewalk meter boxes, and street valve box adjustments.

### Locations

⇒ Cascade Road/Avenue SW from the City Limits to Willis Mill Road SW and Delowe Drive SW to Avon Avenue SW

### Schedules

#### ⇒ In Progress:

- ✓ Western segment removal of existing roadway, grading,
- ✓ Western segment drainage installation
- ✓ Western segment sidewalk, granite curb, driveway apron installation and final dressing
- ✓ Estimated substantial completion in 2025

#### ⇒ Next Steps:

- ✓ Intersection signal installations along the entire corridor
- ✓ Eastern segment drainage improvements
- ✓ Eastern segment sidewalk, granite curb, driveway apron installation and final dressing
- ✓ Estimated substantial completion in 2025

### Details

- ⇒ Overnight work will begin TONIGHT (September 16, 2024) on Cascade Road between Sandtown Road and Centra Villa Drive. Overnight work will take place from 6:00 p.m. to 6:00 a.m. in addition to daytime construction activities currently being performed from 6:00 a.m. to 6:00 p.m., Monday through Friday.
- ⇒ Intermittent lane closures and traffic pattern shifts will be in effect until work concludes. Traffic will be restored to normal operations when work is not in progress. Notice of associated traffic pattern changes will be provided prior to implementation.
- ⇒ Traffic flow will be maintained for the duration of the resurfacing, though intermittent lane closures may cause traffic delays. As with all resurfacing projects, the schedule may be affected by adverse weather.
