

The overview image above shows the site plan for Frosty Fun 5K to be held at the Capital City Club in Atlanta, GA on January 26, 2013. The Cross image will be the site of EMS setup. The Restroom image will be the site of restroom facilities provided by Capital City Club (ADA accessible). Trash and recycling receptacles will be set-up, managed, and disposed of by Capital City Club staff.

The yellow X's will be the location of 10' X 10' EZ-UP tents (fire information is attached with another form).

For this event there will be NO stages, portable toilets, fencing, barriers, or generators. Electricity is provided on site as needed by standard 120V AC power.

Please call Zack Loggins of Runners Fit Race Works (770)-561-1050 with any questions.

➔ Right into Capital City Club to FINISH - Capital City Club - 53 West Brookhaven Dr. , Atlanta, GA

Notes: The golf course will always be on your right. There are no left turns. The tentative plan is to have a rolling closure of the right lane for runners. Traffic cones will be placed throughout course on morning of event. The water stop is located at the halfway point (shown below as blue water dot) that will be set up at the intersection (to the side) of E. Club Ln. and Lakehaven Dr. NE. (Water will also be set up at the start/finish line in between the green start marker and red stop marker at the pavilion.) Water will be donated by Coca-Cola company along with Power-Ade and coolers provided by Capital City Club.) There is also a water fountain at the restroom area near the Pavillion.
