## **GENERAL FUND**

# WHERE THE MONEY COMES FROM

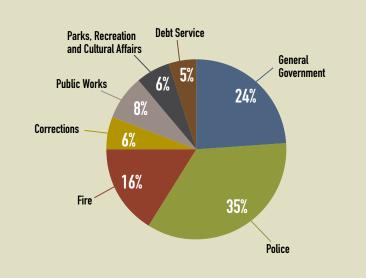

Taxes comprise the vast majority of the general fund revenues at 77% of the total. Property taxes are the largest funding source at about 32% of total City revenues. Since the low point in 2009, sales taxes have been increasing and represent about 20% of the total revenues in 2014. Licenses, permits and other charges for services make up about 18%, and fines and forfeitures represent about 5% of total general fund revenue.

# WHERE THE MONEY GOES

Almost 57% of the general fund expenditures are for public safety functions including police, fire and corrections. Police spending has increased as a percentage of expenditures since 2009 as a part of the Mayor's commitment to public safety. Public Works expenditures were at 8% of total expenditures, and Parks, Recreation and Cultural Affairs spending remained consistent at 6%. General government expenditures have been declining as a percentage of the total from 29% in 2007 to 24% in 2014. Debt service expenditures comprised the remaining 5% of total general fund expenditures.
