

BICYCLE PARKING APPLICATION

bike permit, rack + corral requests

The City of Atlanta Bicycle Parking Program

The City of Atlanta is committed to creating a safe and enjoyable network of bicycle infrastructure. In conjunction with a diverse range of partners, it is our mission to provide publicly accessible bike racks free of charge. By providing adequate bicycling parking, businesses thrive, ridership increases, traffic congestion decreases and the overall health of the community is improved.

If you are interested in having **bicycle parking free of charge in the public right-of-way**, please fill out this form and return via email or mail.
