# INAUGURAL EMPLOYEE SPOTLIGHT AWARDEES ANNOUNCED

The City of Atlanta recognizes the substantial role employees play in shaping customer and stakeholder satisfaction and the general perception of how the City runs its business. Launched in August, 2021 and powered by nominations from co-workers and the general public, the Employee Spotlight Award honors employees who exceed their normal job responsibilities and expectations, and demonstrate the embodiment of our 3 city-wide core values:

- **Committed to Customer Service** - For demonstrating a high awareness of constituent and customer needs while encouraging others to value the importance of public service and stewardship;
- **Grounded in Ethical Conduct** - For adhering to policies and procedures, codes of conduct, and laws and regulations set forth by the City of Atlanta, all while exhibiting integrity, accountability, and excellent decision-making;
- **Focused on Equity** - For promoting fairness within policies, procedures, programs, and the distribution of resources by accounting for the different histories, challenges, and needs of City of Atlanta stakeholders and constituents.

Congratulations to all of the inaugural awardees, and thank you for your dedication and service to the City of Atlanta! This way to the full list:
