A MESSAGE FROM THE DEPUTY COMMISSIONER

Thank you for checking out the latest issue of *Open Court*. Over the past year, we have used this monthly newsletter to introduce our team members, provide updates and keep you informed of facility improvements. Although Spring weather does not always cooperate with our programming plans, we have been thrilled by the number of participants enjoying the USTA Apprentice Program offered at Joseph McGhee and Sharon Lester tennis centers. The program offers expert instruction, equipment and USTA membership to both adults and youth. We look forward to expanding apprentice sessions to multiple facilities this summer! During the winter months, the department completed several upgrades and renovations at all five tennis centers, and you can expect more this Spring! In addition to tennis, our staff has worked closely with pickleball enthusiasts to offer round robin play at Sharon Lester Tennis Center on Fridays and Saturdays. Additional pickleball opportunities are planned at Washington Park beginning April 24 and other facilities soon. Stay connected for the latest updates. As always, we welcome your comments and feedback. Thank you for your continued patronage.
