

# OPEN COURT

A City of Atlanta Department of Parks and Recreation Publication

Volume 3 | Issue 4 | April 2023

## Hello Spring!

Thank you for reading the latest edition of *Open Court*.

As Parks Director, our main goal is customer service. Parks Operations Teams have continued to address maintenance needs at all five tennis centers.

These specialty maintenance teams work on a diverse range of tasks to make sure that our tennis center's courts, grounds, and facilities are safe, clean and in peak condition.

In addition, as Spring moves in, there are specific tasks that are undertaken so that we can enjoy this change in seasons. Remember, Spring brings us a boost of fresh air, warmer weather, and a better mood!

During the month of April, we are celebrating Physical Wellness Month, Stress Awareness Month, and National Black Women's Fitness Month. We're challenging all Atlantans to enjoy our parks, recreation centers, and tennis courts for at least 30 minutes a day for wellness and stress relief.

We invite you to take advantage of our excellent tennis facilities and the many programs that we offer. Please continue to stay safe during these ever-changing times.

Quentin Moore, Parks Director

## Piedmont Players Hop Around Sharon Lester

Earlier this month, the Piedmont Tennis Association, Inc. hosted Easter Round Robin. The fun took place at Sharon Lester Tennis Center in Northeast Atlanta and one lucky Easter bunny hopped away with first prize for her costume!

## The Results Are In!

Back in January, we released a survey asking for public input on City of Atlanta tennis center facilities, operations, and maintenance plans.

Thank you, Atlanta for your feedback! We received over 760 responses!

A summary of responses have been compiled and will be provided to proponents as a reference once the City's RFP is released.
