Capital Improvements Elements (CIE) project submission portal process

Visit the City Planning CIE Update landing page WWW.ATLANTAGA.GOV/CIEUPDATE and click "Submit a project for the CIE".

STEP 2 You will then be taken into the Submission Portal and will "**Proceed as Guest**".

An instruction box will appear offering directions on how to submit your project based on project type. After reading instructions, **click "X" to continue**. Then select your desired project type from the list on the right (**Parks & Recreation, Public Safety, or Transportation**).

STEP 4.1 How to enter Parks & Recreation or Public Safety Projects:

After clicking on "Parks & Recreation Projects" or "Public Safety Projects" from the list on the right-hand side, click on the "Submit a Project for the Upcoming CIE" button at the bottom of the screen.

Click on map to add a point to your desired project location as shown below.

STEP 4.3 Input all required project details to increase the likelihood of consideration and click "**Report It**" to submit your project request.
