

COMMUNITY MEETING NOTICE

for the Lakewood Livable Centers Initiative

Jobs? Transportation? Housing? What's on your mind? A community planning effort is now underway in your area to look at these issues and more! Join us to help shape the future of the neighborhoods surrounding the Lakewood Fairgrounds and Metropolitan Parkway. Building on previous plans and recent successes, this effort will create a vision for the future, including job creation, economic development, housing, businesses and retail, healthy food, transportation improvements, parks, and more. As a local stakeholder, we need your input to ensure that the plan reflects your aspirations for the future.
