

Yellow Sign Request Form

FOR THE REMOVAL OF HEALTHY TREES

Requirements for Requesting a Yellow Sign:

- An orange sign has been posted on the property for a minimum of 10 business days.
- The tree protection plan has been given preliminary approval by city arborist.
- The trees to be destroyed must be spray-painted with an orange "X" large enough to be visible from the street, unless the tree's location or site conditions make compliance unreasonable as determined by the city arborist.
- Once complete, send this form to arborist.dpcd@atlantaga.gov

I affirm that all trees granted preliminary approval have been spray-painted with an orange "X" prior to my submission of this application for yellow posting.
