Dear Inspector General Manigault:

Thank you very much for your communication dated September 17, 2024 which purports to advise my office regarding how to handle the information contained on the Referendum Petitions which were submitted to the Office of the Municipal Clerk as documentation to support a referendum to repeal City of Atlanta Ordinance 21-O-0367. You recommend that we redact unlisted and cellular telephone numbers from the Petition posted on the Clerk's website.

Please note that the form of the Referendum Petitions, created and submitted by the petitioners, failed to delineate between cell phone, unlisted, or other telephone numbers. Without those delineations, the Georgia Open Records Act, according to the City's Department of Law, does not allow these numbers to be removed. Consequently, there will not be any additional redactions to the petitions.

Sincerely,
DocuSigned by:
