

## **BIKE RACE COURSE ROUTES**

**Please reference Brownwood Bike Rally Map – Blue arrows indicate turns**

We have 3 race routes.

The **Kids' Races** start in the parking lot of Brownwood Recreation Center, go down the driveway, left on Brownwood Avenue, left on Pendleton St, left on Gresham Avenue, left on Portland Avenue, left on Brownwood Avenue, and then left back into the driveway of the recreation center. (They basically go around the block).

The **Adult Fun Race** follows the exact same route, except it ends at the intersection of Brownwood & Emerson Ave (see Adult Fun Race Finish).

The **Adult Cyclocross Races (A & B)** start in the driveway of Brownwood Recreation Center, go left on Brownwood Avenue, dip into the south end of Brownwood Park, following the existing dirt trail (see South Trail Loop), turn right back onto Pendleton, left on Gresham Ave, left on Portland, dip into the north end of the park (see North Trail Loop), back onto Portland, left on Brownwood, continuing for several laps, following the same route, and then the final lap ends at the crest of the North Trail Loop in the park (see Cyclocross Finish).
