

CABBAGETOWN, U.S.A.

MEMORANDUM

To: City of Atlanta Office of Special Events

From: Alicia Thompson, Organizing Co-Chair
Chomp & Stomp Chili Cookoff

Date: 6/19/2013

Re: 2013 Cabbagetown Romp & Stomp 5k Route

A map of the 2013 route is attached to this memo.

The race starts at the corner of **Carroll St** and **Tennelle Street** and proceeds east to where **Tennelle Street** becomes **Wylie Street**, and continues east past **Estoria Street** and into Reynoldstown.

There is a right turn onto **Flat Shoals Avenue**, where the race heads southeast towards **Stovall Street**. There is a right turn onto **Stovall** and then an immediate right onto **Mauldin Street**. The race proceeds westward to where **Mauldin** becomes **Fulton Terrace** and returns to Cabbagetown.

At the intersection of **Fulton Terrace** and **Gaskill Street**, the race merges in to **Gaskill Street** and continues west. There is a right turn on **Powell Street** and heads north to the intersection of **Powell Street** and **Berean Avenue**. It heads south on **Berean** to the intersection of **Gaskill Street**. At this intersection, the race turns to the right and heads west on **Gaskill** to **Carroll Street**.

On **Carroll Street**, the race turns right and heads north back to the original starting point, which it passes through as it turns right again onto **Tennelle Street**. The race continues east on **Tennelle/Wylie** as it did at the start, then turns left on **Krog Street** and passes through the Krog Street Tunnel and doubles back through the tunnel towards Cabbagetown.

As it comes out the tunnel, the race turns left on **Wylie Street**, then turns right on **Pearl Street** and heads south to **Kirkwood Avenue**, where it turns right and ends by Cabbagetown Park.
