

# Patriot Day 5K

## Traffic Plan

Race begins south bound in right lane on Oakland Ave SE. Race then crosses over Memorial Dr. SE with officer on north and south side of intersection.

Race then turns left on Woodward Ave SE heading east in right lane with officer at intersection.

Race then turns right on Cherokee Ave SE heading south in right lane with advanced right lane closed signage and officer at intersection.

Race then turns right heading west on Georgia Ave SE in right lane with volunteer at intersection.

Race then turns right heading north on Grant St SE in right lane just prior to one mile mark with officer at intersection.

Then turns right heading east on Sydney St SE in right lane with officer at intersection.

Then turns left heading north back onto Cherokee Ave SE in left lane with officer at intersection.

Then turns left heading west back onto Woodward Ave SE in left lane with right lane closure signage and officer still in place.

Then turns right heading north on Oakland Ave SE in left lane crossing Memorial Dr. SE with officers still in place at north and south sides of intersection.

The race then turns right heading east and entering Oakland Cemetery just prior to two mile mark.

Runners will then make a loop inside cemetery grounds and finish inside Oakland Cemetery.

A total of 14 officers will be needed.

All coning and signage will meet MUTCD specs.
